North Fulton Bar Association Membership Directory

As you all know, we are now working on the 2009-10 North Fulton Bar Association Membership Directory. Once again, Nationwide Focused Publications and Richard Burg will be working with us. NFP is the same firm that handles advertising for the State Bar of Georgia's ANNUAL Membership Directory, The Georgia Bar Journal Magazine

and the DeKalb Bar Association Membership Directory. As a result, Members, Member Firms and Vendors will be able to purchase very affordable ad placements that will assist in deferring the cost of the Directory. Attached is a rate & reservation schedule along with sample ads. For as little as \$150.00 you can lend your support to the Directory effort while making your unique area of law (e.g., immigration or tax law) or area of practice (e.g., Guardian ad Litem and mediation services) known and available to all of the other members. Cover positions are also available. Please feel free to pass this information on to Vendors that you think would be interested in reaching our dynamic Membership base. Click [here](#) for Details. Space is limited so make your reservation as soon as possible. You can reach them at 770.978.6297. In the meantime, if you have any questions regarding this venture, please do not hesitate to contact Forrest Clinard, FKClinard@aol.com, (770) 392-3416. Thanks!

The Child Development Association

The Child Development Association provides affordable childcare and early learning programs for preschool children of low-income families in the metro Atlanta area. The CDA prepares disadvantaged children for success in education and life. And, our child-care services enable hardworking parents to maintain full-time employment to support their families. It is a vibrant nonprofit organization with forty years of outstanding service to low-income, hard-working families and their young children. For four decades, busy hands and generous spirits have enabled us to serve our community's needs through generous donations of time and money. Individuals, as well as civic organizations, businesses and churches sustain us through their charitable, tax-deductible contributions. For more information, please visit www.cdakids.org.

Greater North Fulton Community Charities

The mission of North Fulton Community Charities is to prevent homelessness in North Fulton by supporting

families in their homes during short-term emergencies. By pooling the resources of local religious, business, and civic groups and individuals, NFCC assists families with rent, utilities, transportation, food, clothing, medicine, and other basic needs. NFCC also coordinates special assistance to families during the holidays and matches volunteers with projects. During 2007 NFCC provided assistance to 4,201 local families. Each family's need was different due to: a lost job, an injury or illness that prevented work, a failed marriage, domestic violence, a new baby and no insurance, car trouble, toothaches, and day care problems. Some families required assistance off and on throughout the year, others only once or twice. In 2007 NFCC helped with \$706,825 in rent, utilities, medicine, and other basic needs and gave out food to over 80 families every day. The need continues to grow faster than our resources. For more information, please visit www.nfcchelp.org .

Public Relations for the Legal Profession

While it may come as something of a shock to many of you, legal professionals (specifically lawyers) do not always enjoy the most sterling reputation in the community at large. You may have even heard a "lawyer joke" or two.

In an effort to correct the inaccurate assumptions that some members of the public persist in maintaining, the Georgia Bar has made redressing this problem a priority. The project has been dubbed the "Cornerstones of Freedom®." Its mission is to educate the public

regarding our judicial system (specifically, its role in preserving our Democracy) and to "restore public confidence" in the judicial system and the legal profession.

The NFBA has made it a priority to do its part to assist in this important cause. The NFBA Directors have already identified several areas where we can help; however, if you have suggestions as to how we can improve the image of the legal profession, please contact Committee Chair, Tamar Faulhaber at 404- 846-2001 or TFaulhaber@Georgia-Law.com.

Cornerstones of Freedom®

NFBA *pro bono* Activities

As you may recall, the NFBA is gathering information regarding its member's pro bono activities.

Do you and/or the members of your firm do any pro bono work, volunteer in the community (coach, boy scouts, moot court, etc.), actively participate in community service organizations, including but not limited to serving on Non-Profit entity Boards of Directors, and projects, or otherwise contribute to a worthwhile charity?

If so, please respond with a yes/no answer and the type of charitable work that is being done. Responses should be sent to Committee Chair, Tamar Faulhaber at 404-846-2001 or TFaulhaber@Georgia-Law.com, or to NFBA President, Chuck Gabriel at 404-990-1173 or CDGABRIEL@GLFPC.com

Alpharetta High School Mock Trial Team Volunteers Needed

The Alpharetta High School mock trial team teacher sponsors and the Georgia High School Mock Trial Program are looking for attorneys to volunteer as team coaches. Each high school team participates in organized mock trial competitions, and their members will likely be tomorrow's trial lawyers...

Ideally, volunteers will commit one hour each week during the afterschool periods and at the occasional Saturday competition; the more volunteers, the less the time commitment. However, occasional assistance would also be appreciated.

This is a great opportunity to work with our young people, bring good will to our profession, network your own skills, and give back to our community. Please contact NFBA Board Member Tom Salata at (770) 408-7004 or salatajt@bellsouth.net

Please join us on Thursday, Sept. 24th for a relaxing agenda. This first meeting following the summer break is a social with live background music. It should be a chance to reconnect with old friends and get reacquainted with the NFBA membership. in this issue

Dear Joseph,

NFBA Thanksgiving Charity Fundraiser

NFBA Thanksgiving Charity Fundraiser

Dear Members, As some of you may know, the North Fulton Bar Association is a member of the Multi-Bar Leadership Council, a group of state and local voluntary bar associations. Its purpose is to promote community service and diversity within the legal community. The Council has asked each member association to partake in a community service or pro bono project during September or October. The results of these projects will be featured in the Atlanta Bar's Atlanta Lawyer publication.

In response, the NFBA is raising money to be one of the sponsors for the Alpharetta Golden Age Club's Thanksgiving luncheon. This luncheon is for senior citizens in the area and will be held November 17. The money we are raising will go towards the purchase and preparation of the turkey and ham to feed around 90 people, so anything you can contribute to the cause will be greatly appreciated. Please send checks, payable to the North Fulton Bar, to our treasurer, Ron Dobelstein, at 3780 Mansell Rd., Alpharetta, GA 30022. Please note on your check that it is for the Thanksgiving fundraiser.

We hope to give the senior citizens a nice kick off to the Thanksgiving holiday , and we appreciate your support in this community event .

Thank you,

Forrest K. Clinard, Past- President John Hipes, Board Member

The NFBA Board of Directors presented the Chattahoochee High School Debate Team (Varsity Team members, Coach Maggie Berthiame, Director of Forensics, and Principal Jim Duncan) with two new laptop computers on September 29, 2009. Announcement from The North Fulton Bar Association (This Time With a Link to The Nomination Form)

November 11, 2009

Dear Joseph,

Justice Robert
Benham Awards for
Community Service

::
mike.crawford@bilawgroup.com

Dear Local Bar Presidents and Members,

Despite the challenges of these times, many members of the bar are not only continuing to engage in community and public service, they are increasing their service to meet the needs of their communities around our state. As we have done for the last decade, the State Bar of Georgia in partnership with the Chief Justice's Commission on Professionalism will honor members of the bench and bar for their service to the community at a special ceremony in their honor on February 16, 2010 at the Georgia Bar Center.

While this ceremony and the awards can't possibly match the many contributions of our colleagues, it is our way to not only show the bar's appreciation to them but to showcase to the public we serve that judges and lawyers give so much of their time and talents outside of their official and professional duties to make a difference in their communities.

Won't you take a few minutes and nominate a deserving judge or attorney? And, won't you share this message with your partners, colleagues and co-workers and encourage them to also submit nominations?

Please note that we have extended the deadline for receipt of nominations for the 11th Annual Justice Robert Benham Awards for Community Service to Friday, November 20, 2009. A nomination form is attached which includes the requirements for the award.

Thank you for your assistance and for all that you do.

Sincerely,

Chief Justice's Commission on Professionalism

Atlanta Volunteer Lawyers Foundation -- Training Opportunity

Domestic Violence Project training class!

No, its *not* training to improve your ability to commit domestic violence as the name implies. This is a terrific opportunity to perform some *pro bono* work for a worthy cause. As you know, the NFBA is interested in enhancing the *pro bono* activities of its members (and our image in the community), so please give this consideration.

This training will equip all interested volunteers with the necessary tools to provide legal assistance and representation to victims of intimate partner violence/stalking who are seeking civil Temporary Protective Orders ("TPO") in Fulton County Superior Court. Training topics will include the Dynamics of Domestic Violence, an overview of applicable state and federal law, and the process of obtaining a TPO in Fulton County.

Date: Tues, Jan 12, 2010

Time: 9:00am to 1:00pm

Location: DLA Piper LLP (US), located at One Atlantic Center
1201 West Peachtree Street, Suite 2800
Atlanta, GA 30309.

Lunch will be provided.

If you or anyone from your firm is interested in attending, please RSVP by reply email to Toni Roberts, including the names of all attendees, by the close of business on December 31, 2009.

Atlanta Volunteer Lawyers Foundation - Case Referrals

Jennifer Stolarski at the Atlanta Volunteer Lawyers Foundation has requested some help from those lawyers with the appropriate training and experience to take on a few Domestic Violence cases. Evidently, these folks are seeking TPO's and need some assistance.

Below are summaries of cases that the AVLF currently has available for placement.

Hearing Date: Mon, December 7, 2009

P = Petitioner R = Respondent

CASE #1 (R.G.) married, living together, 1 5-yr old son together, 11/16 R put computer monitor in truck, P retrieved it, R grabbed her arm causing large bruise, put Pin choke hold to try to make her let go of the computer monitor. Police were called & they made him leave. 6/09 R kicked the family dog & threatened to shoot the dog. R later brought dog to shelter where he was euthenized.

CASE #2 (S.M.) P & R used to live together. P has 4 kids ages 13-6; the 6 yr old is R's (no legitimation). On 11/15

R said he would hit P in her mouth & that when she goes to pick up the 6yr old from relatives he will be there and she had better bring protection or he would kill her (all of this via text). On 11/08 R was released from prison for assaulting another woman w/a gun (did 5 yrs). Calls/texts with threats to P appx every 10 days or so - threats to beat her up or kill her. Repeatedly says he will shoot the house up. He physically abused her before he went to prison by pushing, hitting, throwing P on the ground, even raping P. R has stabbed P in the leg, too.

CASE #3 (S.W.) P&R not married, not living together, one 4-yr old together, no legitimation. On 11/19 R repeatedly hit P on her head and across her face in front of minor child. Bitter because of their breakup, R refuses to leave P alone, comes to Ps house unannounced/uninvited at odd hours, calls constantly, tries to force P to be affectionate with him and holds her against her will, and even sits in Ps driveway waiting.

Hearing Date: Friday, December 11, 2009

P = Petitioner R = Respondent

CASE #1 (S.J.) P&R not married; 1 child together, no legitimation. 11/13 R set Ps apt on fire & admitted it via voicemail messages, threatened to kill P and her mother and himself. 11/12 R kicked Ps door in, broke Ps minor child's window w/a brick. P called police. 10/30 R choked P, dragged her across the floor by her hair, placed her in the trunk of her car, used a knife to slash Ps wall.

CASE #2 (T.W.) P&R married but living separate; no children together - P has 3 of her own; 11/13 R threatened P's life & burned her personal property in the front yard of her home. R physically accosted other relatives in the home. R carried a hammer outside of the home & struck the door and window in anger. In the past R has threatened suicide and threatened to burn the home down w/P and children in it and has damaged other property belonging to P.

CASE #3 (K.K.) P&R live together; not married; no children together; P has one 4-yr old. On 11/14 R punched P in the face in front of the child, child got upset and started hitting R, R pushed the child to the side,

picked up the TV & threw it to the ground, left and came bk to the apt w/drugs. Makes verbal/terroristic threats to hurt P and her friends.

CASE #4 (C.F.) P&R not married; not living together; one 6-yr old child together, no legitimation. On 11/7 R pushed & slapped P as she prevented him from taking minor child from dance recital; R followed P home & parked at gas station, R attempted to "kidnap" (per police report) minor from school.

CASE #5 (L.A.S.) P&R used to live together; no children. P has repeatedly asked R to discontinue any contact with her. On 11/19, R waited for P outside of her job, pulled out in front of her, blocked Ps exit and began interrogating her as to her unresponsiveness to his advances. R previously blocked P into a gas station and wouldn't allow her to leave for 1.5hrs. R constantly follows P, calls, leaves messages, contacts Ps parents pleading for them to persuade P to take him back.

CASE #6 (L.C.) P&R used to live together. 11/15 R twisted Ps arm attempting to break it, pulled her fingers back resulting in bruised hand, slung P to the floor, grabbed her by the neck, pulled legs up above her head trying to break them.

CASE #7 (S.S.) P&R live together; one 7-week old child together; no legitimation. On 11/16 R held the 7-week old hostage and wouldn't give the baby back to P, took Ps cellphone and refused to return it and when P managed to get her phone back, R chased her down on foot. R has previously threatened, slapped, pushed, and kicked P and held P against her will.

If you are interested and available to represent any of these clients, please reply to Toni Roberts, the AVLF Domestic Violence Paralegal, at : troberts@avlf.org and she will send you all of the supporting documentation.
